Source Information:

Ancestry.com. *Social Security Death Index* [database on-line]. Provo, UT, USA: The Generations Network, Inc., 2007. Original data: Social Security Administration. *Social Security Death Index, Master File*. Social Security Administration.

Description:

The Social Security Administration Death Master File contains information on millions of deceased individuals with United States social security numbers whose deaths were reported to the Social Security Administration. Birth years for the individuals listed range from 1875 to last year. Information in these records includes name, birth date, death date, and last known residence. [Learn more...](#)
